

## New Weatherization Income Guidelines

**You may be eligible!**

Weatherization services can help reduce heart costs by:

- Caulking to seat cracks in walls, ceilings, and foundations and weather stripping around doors and windows.
- Repairing or replacing damaged windows or doors.
- Adding attic, wall or foundation insulation.
- Furnace replacement or repair on eligible units.
- Heating system tune-ups and safety checks.
- Insulating water lines and heat ducts.
- Pressure diagnostics of the home.
- Infrared analyses to determine heart loss or gain and moisture problems.

2016 income guidelines are based on annual gross income and the number of people in the home.

Household Size	200%
1	23,760
2	32,040
3	40,320
4	48,600
5	56,880
6	65,160
7	73,460
8	81,780
For each person add:	8,320
