

Millions of Americans now have health insurance through the Marketplace. But there are still many more who may not have enrolled only because the Marketplace system seems complicated and hard to understand.

In order to raise awareness and understanding of how the Marketplace works, the Denver Regional Office of the Centers for Medicare & Medicaid Services is offering Health Insurance Marketplace 101 webinars for people who need a basic understanding, so they can be more confident in using and enrolling in coverage through the Marketplace. Assisters, healthcare providers, advocacy groups, and individuals are all welcome to participate.

We are offering these opportunities for you to participate and learn about the Marketplace every Tuesday at 1:00 PM Mountain / 2:00 PM Central Time throughout the Open Enrollment Period.

Registration is not required, and please use the information on the back of this card to connect to the session you would like to attend. All will feature the same Health Insurance Marketplace 101 presentation with time for Q & A.

Starting November 18th, every Tuesday at 1:00 PM Mountain
